Master Plan Update and Draft Program Environmental Impact Report (EIR) Public Review and Meetings

The proposed Master Plan Update and its accompanying Draft Program EIR are available for a 45-day public review and comment period from Thursday, January 18 to Monday, March 5, 2018. The documents are accessible at: www.PalomarAirportMP.com, and comments can be submitted to PalomarMP@sdcounty.ca.gov.

Two meetings to update the public about the proposed Master Plan Update and collect feedback have been scheduled on January 30 and February 13 from 6 p.m. to 8:30 p.m. There will be a presentation with an overview of the proposed potential alternatives, facility improvements and environmental analysis. Attendees will have the opportunity to ask in-depth questions and view exhibits. Both meetings will include the same materials, but two meetings are offered to provide flexibility for public attendance.

County Airports is also holding an Open House within the public areas at the airport's commercial passenger terminal building at 2198 Palomar Airport Road in Carlsbad on Wednesday, February 7, 2018 from 4 p.m. to 7 p.m. There will not be a formal presentation, but the Open House will feature exhibits about the airport's proposed Master Plan Update.
